Configured as two homes in one, or simply a spacious residence for one large family, this fully renovated home offers great flexibility and opportunity.

On each of its two floors is a three-bedroom self-contained residence, each including a main with ensuite, huge kitchen and multiple living areas. A foyer at the front of the home provides private entry to each level, but also enables the home to be used as one extra-large residence if desired.

Outside, a double garage, plus additional driveway parking, and low-maintenance courtyard, add to the property's appeal. In a quiet residential street close to the Kyeemagh border, the home is a 20-minute walk from the beach, and an easy stroll from Banksia Station and village shopping strip.
