Fabulous Burleigh Waters Home

Burleigh is one of the most sort after suburbs in the Gold Coast and has seen tremendous growth in the past couple of years with no sign of slowing down.

Just launched to the market is the excellent family home in a quiet street handy to everything that makes Burleigh so great. Within a few minutes walking distance there is Caningeraba State School, Burleigh Bombers Sports Complex, tennis courts, library and shops. Then it's only a couple of minutes drive to the beach. A truly sensational location!

This quality home will not last long.
