

10 Norseman Court Paradise Waters, QLD

VERY RARE ORIGINAL HOME IN PARADISE WATERS

Exclusive Paradise Waters has long been one of the most sort after locations on the Gold Coast due its great location on the doorstep of Tedder Av, Main Beach the light rail and Surfers Paradise. It boasts some of the most beautiful homes in the country and original homes like this one are extremely rare especially when they are on a block as big as this at 916m2.

The home is in great condition for its age and features large open plan living areas and spacious bedrooms. The kitchen was replaced a few years ago and still looks new.

There is a fully tiled pool and spa overlooking the wide water with over 31m frontage. For your boat, there is a large pontoon capable of mooring a 50ft+ boat plus a boat shed for the smaller craft.

If recent sales are anything to go by, this home will not last long.
