Ultra Rare Free Standing House on Golf Course

The Vistas is a stunningly maintained estate fronting the popular Emerald Lakes Golf Club. Of all the amazing properties in the gated village, it is the golf course properties that are sought after the most and when the property is a free standing house then it is like GOLD!

This beautifully renovated property is on a point position fronting the 12th green and boasts one of the largest parcels of land and floor plan in The Vistas with multiple areas to entertain inside and out plus a large grassed area that your dog will love.

Upstairs there are three spacious bedrooms with the master suite featuring a huge ensuite, walk-in-robe, parents retreat and large balcony where you can enjoy a nightcap or morning cuppa whilst enjoying your lush green vista....
