Epitome of Luxury

Harmony above the harbour, sweeping curved balconies make an elegant architectural statement, cascading down to the sparkling waters of Mosman Bay. Elevated above the bay, this bespoke residence opens out to the waterfront. The 183sqm living interiors are crafted with the utmost care to produce memorable living environments that will retain their elegance over time.

Exquisite limestone, marble and timber, entertainer kitchen, soaring ceilings, grand fireplaces and indulgent bedroom suites deliver the perfect balance of beauty and liveability.
