Providing absolute peace of mind, these homes are completed and looking sensational

It's a perfect time to purchase on the Gold Coast, and these being low maintenance free standing villas in a booming waterside suburb in the heart of the Gold Coast with no body corporate fees are pretty hard to go past!...

This boutique development offers the opportunity to have the space of a house with not much more maintenance than a unit.

All freestanding villas offer 4 bedrooms, 2 bathroom + powder room, second living/media/retreat, most also have a study nook.

They are beautifully finished with hybrid timber floors, stone benchtops, 900 wide oven, gas cooktop, instantaneous gas hot water and gas BBQ point (all on town gas), most have butlers pantry.

The property adjoins a large 5,000 square metre park that the council mow for you, which features a children's play equipment and a tennis court, plus a squash centre just on the o...
