IDEAL FAMILY HOME

This fantastic home is located close to a number of parks, walking tracks, schools and sporting facilities; its the perfect location for the health conscious.

The home features tiled floors that flow right throughout, excluding the 4 built in bedrooms which have been carpeted.

The Master Bedroom even offers a two way bathroom that has been renovated with stylish fittings and an extra deep bath.

With two separate living areas, the formal lounge is located to the front of the home and leads through to a spacious light filled family room.

The main family area is also home to the functional and updated kitchen which has been fitted with a dishwasher and includes provisions for a large fridge.

The family room has been fitted with an air conditioning unit, and the large windows and sliding glass door offer a great outlook of the covered entertaining area and landscaped gardens beyond.
