

Southport, QLD

UNPARALLELED LUXURY IN AUSTRALIA'S PREMIER BEACHSIDE LOCATION

Monarch Place Luxury Residences is the globally inspired, vibrant new heart of Southport. As stage 2 of Southport's illustrious \$3.8 billion Imperial Square Project, it forms part of a defining vertically integrated residential, retail and commercial masterpiece.

Developer Azzura and Architect Kris Kowalski have created a 40-storey masterpiece of 323 premium apartments, sky homes, sub penthouses and penthouses offering exclusive luxury living.

Each apartment offers magnificent views, whether it's the endless horizon of the ocean, the sparkling Broadwater, the vibrant cityscape, or the beautiful sunsets over the Tamborine Mountains, all framed by expansive floor-to-ceiling double-glazed windows.

Every resident's dream is not just catered to but anticipated. Monarch Place is not just a home but a sanctuary of unparalleled service and comfort. The essence of the building is ...
