CAPRI VILLA 5 UNDER CONSTRUCTION - MOVE IN 2025

This thoughtfully designed space features an abundance of world-class amenities including a resort-style pool with submerged lounge chairs, sunbathing deck terrace, outdoor dining terrace, lawn terrace, covered barbecue area and dining pavilion with built-in barbecue.

Each villa features a double car garage and generous ground floor terrace with rich landscaping, offering complete privacy for a cosy afternoon of at-home entertaining.

This effortlessly flows into an open kitchen, living and dining area, resulting in light-filled, communal and multifunctional spaces that are perfect for gathering and creating memories with the ones that matter. A fluted feature wall with built-in cabinetry and stone bench top adds a touch of elegance to the space.
