## Heritage Charm V Modern Makeover

With a beautiful porch that wraps around the home, the 10ft ceilings, timber floors, and well-sized bedrooms with ceiling fans or air conditioning, this home has had recent renovations to make a modern makeover while preserving its heritage charm.

The property features:

- Main bedroom has a large walk-in wardrobe and a dressing room that connects to the bathroom, as an ensuite, complete with a heated towel rail, internal heating
- Second bedroom, formerly the lounge room, restored to original condition boasting timber flooring, an ornate ceiling and light fixture, an original fireplace
- For added flexibility, a separate 4th bedroom outside the main house could serve as an office or guest quarters.
- Newly renovated kitchen and entertainment area, featuring an island bench, dishwasher, and 900mm gas hot plates with an electric oven.
- New laundry adjacent to the kitchen, enhancing the functionality of this historic home.
