

3 Frances Street Lindfield, NSW

SOLD OFF-MARKET

Client Testimonial: Sahil took the time to understand our buying and selling requirements, which were quite significant! He kept us updated all times, was honest and direct about every situation. We never felt pressured. He even brought his own leaf blower when we didn't get time to sweep the front path! He negotiated hard for us and achieved a street record result. Thank you Sahil! Highly recommend and we would use him again next time.
