

2/15 James Street South Windsor, NSW

Cute and Convenient

If you are downsizing or looking for your first home this 2 bedroom home in the heart of South Windsor commands your attention. Set in an uber convenient location across the road from the local primary school a short walk to the Oasis Center, South Windsor shops and the Windsor Train Station. This home is as neat as a pin. Having been lovingly lived in by the one owner for many years the home is in pristine condition and is positioned on a very manageable block with a single garage and there is also side access if required.

Inside you have a very practical combined Bathroom laundry with spanish floor tiles in the wet areas and large Italian floor tiles in the living areas.
