Solid family home on potential duplex site- 15.2m frontage

A sundrenched, level 611 sq m block makes this an ideal property for families seeking a forever home, as well as developers wishing to capitalise in a booming locale.

Boasting duplex potential (STCA), the existing home would also make a wonderful stand-alone residence. The double-brick and concrete-slab house is well-maintained in its original circa 1980s state, and would merely require cosmetic updates to transform into a spacious contemporary abode.

Nestled in a quiet residential enclave, the property is just 13km from the CBD, and offers easy access to quality schools, busses, shops and local dining options.

- 611 sq m north-to-rear block
- Potential duplex site STCA with 15.24m frontage
